C. Please describe your familiarity with the target audience and your expertise on this topic:

I have been an attendee at a few ARIAS events and I am very familiar with the audience. I have worked in the runoff industry from a reinsurance claims standpoint for the past 23 years and have been involved directly from a broader runoff portfolio management perspective including the oversight and completion of billions of dollars in commutations for a decade. I have served on the AIRROC Board of Directors since 2010 and currently Chair that BOD.

D. Please provide a biography of (up to 150 words) as it will appear in the conference program.

Leah A. Spivey is Senior Vice President and Head of Business Runoff Operations at Munich Reinsurance America, and has results responsibility for all of its 2001 and prior liabilities. Leah manages a staff of Insurance and Reinsurance Professionals with a portfolio of current and

former clients. Her department partners with Munich Re America Business Divisions' and Financial Management Resources to arrive at customized solutions for the optimum disposition of these legacy accounts.

Leah was graduated from the University of Massachusetts in Amherst with a BA in Journalism and Communications. She currently serves on the AIRROC (Association of Insurance and Reinsurance Runoff Companies) Board of Directors, is a certified training designer and developer and has her CPCU designation.
