#### CONFERENCE THEME

### ARIAS – 2.0 – The Next 25 years

#### SUGGESTED TOPICS

##### **General Session Thought Starters:**

- If you had a crystal ball, what changes do you foresee happening in the insurance industry over the next 10 years and how will these changes impact the resolution of insurance and reinsurance disputes?
- How will the industry generally, and ARIAS in particular, engage the next generation of professionals?
- Do you have experience arbitrating non-reinsurance disputes (i.e., policyholder/agency/ captive/Bermuda Form)? If so, share how ARIAS can play a more active role in these types of disputes with conference attendees.
- Do you have experience arbitrating life or health reinsurance disputes? What are the current dispute issues and trends in this space?
- Are there particular recurring substantive or procedural issues in insurance or reinsurance disputes that would benefit from discussion?

##### **Breakout Session Possible Tracks:**

- Skill development
  - public speaking
  - marketing
  - networking
  - arbitration hearings
- Mediation of reinsurance and policyholder disputes
- What does arbitration look like in the next 25 years for insurance and reinsurance?
