NETWORKING BREAKOUT SPONSOR

(\$2,000, multiple sponsorships available)

A virtual conference won't stop us from networking! The networking events hosted after the day's sessions provide an opportunity for attendees to unwind and connect, and for sponsors to be recognized! Give opening/closing remarks or provide a pre-recorded message to play during the event to promote your company, brand, or services as well as have acknowledgement on the conference website and in promotional materials. Additionally, your logo will be featured during the event and receive verbal recognition as the event's sponsor.

For even more recognition, consider sponsoring a branded swag item to be gifted to all conference attendees, such as a wine glass or face mask! Just because we're staying home, doesn't mean attendees should walk away empty handed. Check out the swag sponsorship opportunities below.

WOMEN'S NETWORKING SESSION

(\$2,000, 2 sponsorships available)

The Women's Networking Group meets year-round in smaller mentoring circles, virtually and at larger in-person events. The Fall Event is a great chance to get your company's name in front of senior executives and women rising through the ranks. In addition to providing an opportunity for the women in the industry to learn more about their colleagues, the meeting offers the occasion to have fun while creating food for thought to bring back to the professional setting.

ARIAS FALL 2020 CONFERENCE SWAG

(multiple sponsorship opportunities available)

Make the virtual experience more memorable by treating participants to some their stay-at-home gifts to enjoy during the meeting!
